

# ILLINOIS CLASSICAL CONFERENCE

August 17, 2022

Dear Colleague:

On behalf of the Illinois Classical Conference and its membership, I send you greetings and best wishes as we get closer to our annual meeting in October. I invite you to renew your individual membership to support the good work of the Conference that has been ongoing for the past 75+ years. Even with the pandemic these past years, we have provided multiple opportunities to participate in remote workshops, presentations, and gatherings. This year, we will be meeting in person for our annual conference at **Rockford University from October 7th to October 9th** to explore history, culture, mythology, pedagogy, and other topics pertaining to our field of Classics in Illinois. Finally, your support has allowed us to support student scholarships, competitions, and scholarships for the Latin Pedagogy Workshop <https://tinyurl.com/LatinPedagogyWorkshop>. Your continued support of the Conference is much appreciated as we collaborate in promoting the study of the classics in the state of Illinois. For more information on our organization please go to <http://illinoisclassics.org>.

This year, we are trying something new and registering members via Google Forms, starting at [this link](#). In addition to typing your information directly into a form, you are now able to pay your membership online via Paypal. If you are a returning member, you can even sign up for a recurring annual subscription, which should make registration much easier for you and our volunteers in future years! If you are a lifetime member, the form also has an option to simply update your contact information if anything has changed.

If you prefer sending a check, just click the *Pay Membership Via Check* option on the Google Form. As always, remember that there is a \$10 late fee for memberships submitted after November 1st. If you need a refresher on what our membership options are, here are their descriptions:

- **Regular Membership** - Any practicing teacher, professor, or other professional with ties to the Illinois Classics community (\$20 / year). If you are a new member, registration is only \$10 for the first year!
- **Joint Membership** - Any cohabitating couple of practicing teachers, professors, or other professionals with ties to the Illinois Classics community (\$30 / year).
- **Student Membership** - Any undergraduate, graduate, or secondary student with ties to the Illinois Classics community (\$5 / year).
- **Retired Membership** - Any retired teacher, professor, or other professional with ties to the Illinois Classics community (\$5 / year).
- **Lifetime Membership** - Any practicing teacher, professor, or other professional who would like to make a single payment for lifetime membership in the ICC (\$300).
- **Lifetime Joint Membership** - Any cohabitating couple of practicing teachers, professors, or other professionals who would like to make a single payment for permanent, lifetime membership in the ICC (\$450).

Please take the time to pass this on to anyone who is interested in the Classics but is not currently a member. It need not be a teacher, but anyone who is interested in the classics. We, the Advisory Council, are not always aware of new arrivals in Illinois who have an interest in the classics or current residents whose interest in the field has grown such that ICC could serve their interests. **We need your help to pass on the word.**

Thank you again for your timely response to this annual request. Again, best wishes.

Sincerely,

James Stark  
ICC Membership
