Precollegiate Membership Upgrade

The Society for Classical Studies is proud to announce an upgrade to our Precollegiate Membership category.

In addition to enjoying all of their current benefits, Precollegiate members will now enjoy full member benefits.

These benefits include:

- Voting in SCS elections
- Serving on SCS boards and committees
- Opportunity to submit abstracts for the AIA/SCS annual meeting

The annual dues for this membership will be \$38 as of September 2019. Membership can be completed by joining online at scs.press.jhu.edu/membership.

We are excited and proud to offer this new and improved membership category to our precollegiate teaching community!
